

# Is Remote Work a Thing of the Past?

There was an interesting article from the Wall Street Journal this week stating the number of companies allowing remote work is close to the pre-pandemic levels of 2019.

- Last year 72.5% of companies said employees rarely or never teleworked, up from 60.1% in 2021.
- In 2019, 76.7% of companies did not have telework.
